This document will serve as a certificate of authenticity for the above-mentioned item through ASA - Authentication Services Australia and third-party professional personnel. It is to our understanding that this autographed copy of the 'Harry Potter & The Cursed Child Part 1 & 2 - Special Rehearsal Edition Script' was obtained by a fan at the Lumos Gala Performance of Harry Potter and the Cursed Child, New York City on September 23, 2018.

It is known by the typical signature styles of Ms Rowling that her slant, flow, pressure, size and characteristic formations are in comparison to other various exemplars that we have individually examined over time within our professional career in relation to this author. It is our strong considered opinion that this signature is genuine.
